

Yun-Sang Lee
Seoul National University, Korea

Current appointments

- BK Associate Professor, Department of Molecular Medicine and Biopharmaceutical Sciences, Seoul National University

Academic degree

- Ph.D. 2006 Seoul National University
- MS 1998 Kyunghee University
- BS 1996 Kyunghee University

Field of specialization

- Radiochemistry and Radiopharmaceutical
- Radionanomedicine
- Molecular Imaging

Short scientific biography

- Published 66 articles in SCI journals (2001-now).
- Editorial Board of Nuclear Medicine and Molecular Imaging, Asia Oceania Journal of Nuclear Medicine & Biology.
